25X1

1. Prior to 30 January 1952, the Old Artillery Barracks on the west edge of Lucenc (Q 49/D 01) on the north side of the road to Holic (Q 49/D 01) quartered a unit with red epaulets. The installation consisted of six two-story buildings including five which were heavily damaged. It was surrounded by an iron fence. \*
2. An equipment depot was located on the west side of Prazska ul and on the south side of Skladistni ul in the northwest section of Brno (P 50/N 40) up to late September 1951. Steel helmets, gas masks and rifles were repeatedly seen being shipped to the depot. The building also quartered an ordnance shop. Light machine guns were tested with practice ammunition in front of that shop. \*\*
3. An AAA emplacement camouflaged by underbrush and nets and manned by soldiers was located on the southeast edge of Liben near Prague just west of Hrdlovezka ulica. Several heavy guns and four-barreled AA guns were seen. ☐ 25X1  
☐ similar emplacements were all around the city.

25X1

\* ☐ Comment. The installation possibly quarters an infantry training unit.\*\* ☐ Comment. Probably the clothing depot which is known from a previous report. ☐ 25X1
